FILED
EPA REGION VIII
HEARING CLERK

Complainant, United States Environmental Protection Agency, Region VIII, and Respondent,
Westport Oil and Gas Company, ^{L.P.}~~Inc.~~, by their undersigned representatives, hereby settle the civil
cause of action arising out of a spill of oil that occurred on October 8, 2002, and agree as follows:

The Clean Water Act (the Act), as amended, authorizes the Administrator of EPA to
assess administrative penalties against any person who discharges oil into or upon the navigable
waters and adjoining shorelines of the United States in quantities that have been determined may
be harmful to the public health or welfare or environment of the United States. 33 U.S.C.
§ 1321(b)(6)(B)(i) and (b)(3). This determination includes discharges of oil that (1) violate
applicable water quality standards, (2) cause a film, sheen, or discoloration of the surface of the
water or the adjoining shorelines, or (3) cause a sludge or emulsion to be deposited beneath the
surface of the water or the adjoining shoreline. 40 C.F.R. § 110.3. This authority has been
properly delegated to the undersigned EPA official.

Respondent admits that on October 8, 2002 there was a discharge of 25 barrels of
oil/produced water into or upon the Meadow Creek and/or adjoining shorelines from its facility,
in Johnson County, Wyoming.

Respondent's facility's discharge caused a sheen upon or discoloration of the surface of
the Meadow Creek and/or adjoining shorelines.

Respondent's discharge constitutes a violation of Section 311 (b)(3) of the Act.

Respondent admits that EPA has jurisdiction in this proceeding.

Respondent waives its right to a hearing before any civil tribunal, to contest any issue of law or fact set forth in this agreement.

This agreement, upon incorporation into a final order, applies to and is binding upon EPA and upon Respondent and Respondent's heirs, successors and assigns. Any change in ownership or corporate status of Respondent, including but not limited to any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement.

This Agreement contains all terms of the settlement agreed to by the parties.

Respondent consents and agrees to the assessment of a civil penalty of \$3,000.00 which, shall be paid by sending, via certified mail, a cashier's or certified check for that amount, payable to "Oil Spill Liability Trust Fund" along with a signed copy of this Agreement, to:

Jane Nakad
Technical Enforcement Program (8ENF-UFO)
USEPA Region 8
999 18th Street, Suite 300
Denver, CO 80202-2466

Respondent further agrees and consents that if Respondent fails to pay the penalty amount as required by this agreement once incorporated into the final order, or has not cleaned up the discharged oil as represented, this agreement is null and void, and EPA may pursue any applicable enforcement options.

Respondent states, under penalty of perjury, that it has (1) investigated the cause of the spill, (2) cleaned the spill up pursuant to federal requirements, and (3) taken corrective actions to prevent future spills.

The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions for this agreement and to bind Respondent to the terms and conditions of this agreement.

The parties agree to submit this Consent Agreement to the Regional Judicial Officer, with a request that it be incorporated into a final consent order.

Each party shall bear its own costs and attorneys fees in connection with this matter.

This Consent Agreement, upon incorporation into a final consent order by the Regional Judicial Officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations described in this agreement.
